

CPARIS Web Site

How it works

© CPARIS® 1991 - 2016

Existing clients - Free analogue mastering until 31/12/16

1. We first need to verify that your organisation has been involved with us in the past and that you actually are on the CPARIS client list. To verify this, please email us with the name of the organisation through which you had some analogue mastering done by CPARIS and the year in which this process took place.
2. We will then contact you to plan a schedule according to your deadlines.

New clients - Half price until 31/12/16

1. Cost:
 - If your audio project contains one title only: no charge.
 - If your audio project contains two to eight titles: AU\$600.
 - if your audio project contains more than eight titles: AU\$600 plus AU\$200 per extra title.
 - Australian clients need to add 10% for the GST.
2. Please email us whenever you are ready to proceed.
3. We will then contact you to plan a schedule according to your deadlines.

Note that the turnaround is five days.
